# Make the Most of Your Whole Life Insurance Policy

If you're looking for quick access to tax-free cash<sup>1</sup>, Equitable Bank offers three cash surrender value (CSV) products within our Equitable Bank Insurance Lending Solutions to leverage your whole life insurance policy.

The **Equitable Bank CSV FLEX Line of Credit** offers access to tax-free cash<sup>1</sup> while allowing your policy to continue to grow, and does not require principal or interest payments.<sup>2</sup> This product allows you to access up to a maximum of 90% of the CSV of your policy (evaluated on a case-by-case basis) and is available to Canadian residents that are 50 years of age or older who have a whole life policy with one of Equitable Bank's insurance partners.<sup>3</sup>

The **Equitable Bank CSV MAX Line of Credit** offers access to tax-free cash<sup>1</sup> totalling 90% of the CSV<sup>4</sup>, provided that monthly interest payments are made.<sup>2</sup> This product is available to Canadian residents that are age of majority and hold a whole life policy with one of Equitable Bank's insurance partners.

The **Equitable Bank Immediate Financing Arrangement (IFA)** offers access to up to a maximum of 100% of the premium of your policy (evaluated on a case-by-case basis), without requiring you to submit additional collateral. Canadian residents that are age of majority and hold, or are in the process of obtaining, a whole life policy with one of Equitable Bank's insurance partners are eligible to apply for this option.

# Benefits

## ► Equitable Bank CSV FLEX Line of Credit

### Tax-free funds

Take your financial planning to a new level by getting access to cash that's tax-free.<sup>1</sup>

### No payments required

Principal or interest payments are not required provided your loan remains in good standing.<sup>2</sup>

### Access up to 90% of the CSV value of the policy

You may be eligible to access up to a maximum of 90% of the cash surrender value of your policy.<sup>3</sup>

### Continued growth

Borrowing against your policy's CSV allows you to keep your policy intact. You get access to cash without interrupting the growth of your policy.

### Flexible options

With multiple funding options, you get what you want when you need it. Scheduled, ad-hoc or all at once—you decide what works best for you.

### Trusted partners

We understand the value of expertise. That's why we've partnered with well-known Canadian insurers.

1. Consult your financial advisor to discuss your unique tax situation and the tax-free benefits of an Equitable Bank CSV Line of Credit or IFA.
2. Equitable Bank Insurance Lending Solutions offerings are demand credit facilities, meaning Equitable Bank can demand payment of all or part of the outstanding balance at any time. The outstanding balance on Equitable Bank CSV FLEX/MAX Lines of Credit must remain below 95% of the cash surrender value of your policy.
3. The amount of capital made available depends on the projected growth of the policy and the age of the borrower.
4. Credit limits are subject to deductions based on required premium payments and interest serving criteria.
5. Eligibility for the Equitable Bank CSV FLEX/MAX Line of Credit requires a whole life insurance policy with one of Equitable Bank's insurance partners; eligibility for the Equitable Bank Immediate Financing Arrangement requires a whole life insurance policy with a minimum annual premium of \$100,000 with one of Equitable Bank's insurance partners.
